

BOUNDARY LINE DISPUTES, LAND USE VIOLATIONS AND EXPERT WITNESS

Herrick & Salsbury, Inc. will always advocate for our client's best interests and have a long track record of doing so.

When a dispute arises, we can review your legal documents and issues and apply our specialized knowledge of boundaries and land use ordinances to determine how to help you resolve the issue.

As a third-party consultant, we work together with your attorney to help ease the stress that comes with litigation.

We Can Mitigate Issues Around:

- Boundary lines
- Easements
- Land use

"My work as a land use attorney introduced me to Steve Salsbury many years ago. He puts together comprehensive applications for fairly complex matters...I wouldn't hesitate to recommend him if a client needed surveying services in that area."
